

## Discover the convenience of OptumRx® Mail Service Member Select<sup>SM</sup>

Mail Service Member Select is a home delivery program that makes it easy for you to receive your ongoing medications by mail. This program will save you time and help you better manage the medication you take regularly. Not only is home delivery safe and reliable, it also offers the following advantages:

**Cost savings:** You may pay less for your medication with a three-month supply through OptumRx.

**Convenience:** Get free standard shipping on medications delivered to your mailbox.

**24/7 access and reminders:** Speak to a pharmacist who can answer your questions any time, any day. Even set up text and email reminders to help you remember to take or refill your medications.\*

### Choose your fill preference

You can choose to fill your maintenance medication through either OptumRx or a retail pharmacy. If you choose a retail pharmacy, you must disenroll from the Mail Service Member Select program.

The program allows you two retail pharmacy fills of your maintenance medication before you must choose. If you do not take action after the second retail fill, you may pay more for your medication until you make a decision.

## Making the choice

To choose home delivery, use any of the following options.

---

### By online registration:

Visit **myuhc.com**, register and follow the simple step-by-step instructions. You can manage your medication online, including filling new prescriptions and transferring other prescriptions to home delivery. You can also set up text message reminders to help manage your medication schedule. Be sure to have your health plan ID card and medication bottles on hand.

### By phone:

Just call the member phone number on the back of your plan ID card to talk with a customer service representative right now. It's helpful to have your plan ID card and medication bottle available. The representative can also contact your doctor directly if you need a new prescription.

### By mail:

Ask your doctor for a new prescription for up to a three-month supply, plus refills for up to one year. Then go to **myuhc.com** and download the new prescription order form. Mail it to the address provided on the bottom of the form.

### By fax / ePrescribe:

Ask your doctor to call **1-800-791-7658** for instructions on how to fax your prescription directly to OptumRx. Or your doctor can send an electronic prescription to OptumRx.
